

Citizenship

Cub Scouts · Required · Arrow of Light rank

Name

Started

Completed

Citizenship is about making a difference where you live. You'll choose a service project, plan it safely, and put in at least two hours helping others. Seeing the results of your work feels great.

Requirements

Every official requirement, in plain language. Check the official wording when you sign off (scouting.org/cub-scout-adventures/citizenship/). Tips and examples are ideas, not extra requirements.

- ☐ **1** Find a community service project your patrol or pack could do; use the SAFE Checklist to make a plan for doing it safely

Tip: Ask your school, church, or a local park what help they need. Use the SAFE Checklist to plan it.

Example: SAFE for a park cleanup: Supervision means two adults are there. Assessment means checking for sharp trash or traffic. Fitness and skill means everyone can work for two hours. Equipment and environment means gloves, trash grabbers, water, and sun protection.

- ☐ **2** Do at least two hours of service, in one project or in several that add up to two hours

Tip: Work with your patrol or family and keep track of your hours. Projects like park cleanups or food drives work well.

Example: Two hours could be one Saturday morning sorting donations at a food bank, or two one-hour visits: planting flowers at a school and collecting coats for a winter drive.
