

Good Knights

Cub Scouts · Elective · Tiger rank

Name

Started

Completed

Good Knights is about acting with courtesy and kindness, like a knight. You'll talk about knightly behavior, make a shield, build a castle from recycled materials, and do a Good Turn. Being courteous is a real-life superpower.

Requirements

Every official requirement, in plain language. Check the official wording when you sign off (scouting.org/cub-scout-adventures/good-knights/). Tips and examples are ideas, not extra requirements.

- ☐ **1** With your den or adult partner, talk about courteous behavior and how a knight acts; tell another Tiger which Scout Law points help you act like a knight

Tip: Talk with your den about what a good knight does, like being polite and brave, and match it to Scout Law points.

Example: A good knight holds the door, says please and thank you, protects people who need help, and keeps promises. That matches courteous, helpful, kind, and trustworthy in the Scout Law.

- ☐ **2** Make a shield for your den or for yourself

Tip: Cut a shield from cardboard and decorate it with symbols that show what you stand for.

Example: Cut a shield from cardboard with your adult. Split it into four parts and draw a tiger for courage, a heart for kindness, a book because you love reading, and your family's favorite color.

- ☐ **3** At a den meeting or at home, design and build a small castle from recycled and other materials

Tip: Use boxes, tubes, and cups to build a small castle. Add towers and a drawbridge.

Example: Stack cereal boxes for walls, use paper towel tubes for towers, and make a drawbridge from a flap of cardboard with string. Add paper flags on top.

☐ **4** Do a Good Turn

Tip: Do a Good Turn, like helping a neighbor or picking up toys without being asked.

Example: Do a Good Turn like a knight: help a neighbor carry groceries, read to a younger sibling, or clean up the den room without being asked.
