

I'll Do It Myself

Cub Scouts · Elective · Lion rank

Name

Started

Completed

I'll Do It Myself is about growing up and taking care of yourself. You'll pack your own Scouting bag, make a checklist for taking care of you, and practice putting on your own shoes. Each little skill makes you more ready for big adventures.

Requirements

Every official requirement, in plain language. Check the official wording when you sign off (scouting.org/cub-scout-adventures/ill-do-it-myself/). Tips and examples are ideas, not extra requirements.

☐ **1** Make a "lion bag" for your Scouting gear and use it

Tip: Decorate a bag and fill it with what you need for den meetings. Bring it every time.

Example: Your Lion bag might hold your handbook, a pencil, a water bottle, and a snack. Before each den meeting, you check that everything is inside and carry the bag yourself.

☐ **2** Create a personal care checklist

Tip: Draw pictures for each step, like brushing teeth and washing hands, and put the checklist on the bathroom mirror.

Example: A morning checklist could have pictures for: use the bathroom, wash hands, brush teeth, comb hair, and get dressed. Put it at your eye level on the bathroom wall and check each one.

☐ **3** Put on your shoes by yourself, then take them off and put them away

Tip: Practice putting on shoes, taking them off, and putting them in the same spot each time.

Example: Sit down, put each shoe on the right foot, and fasten the straps or laces with your adult cheering you on. After the walk, take them off and line them up in their spot.
