On Your Mark is all about playing games together. You'll play with your den, run an obstacle relay, and build a box derby car to race. It's a fun way to move, laugh, and cheer each other on.

Requirements

Every official requirement, in plain language. Check the official wording when you sign off (scouting.org/cub-scout-adventures/on-your-mark/). Tips and examples are ideas, not extra requirements.

☐ 1 Play a game with your den

Tip: Play a simple den game like Simon Says or freeze tag, and take turns choosing.

Example: Play Red Light, Green Light with your den. Take turns being the leader who calls the lights so everyone gets a chance.

☐ 2 Take part in an obstacle course relay

Tip: Set up cones, hoops, and pillows for an obstacle relay. Cheer for every runner on your team.

Example: Set up a relay: crawl under a table, hop through three hoops, walk along a jump rope on the ground, then run back and tag the next teammate. Everyone cheers for each runner.

☐ 3 Build a box derby car and race it

Tip: Decorate a big cardboard box as a car, then race it by running or pushing with your partner.

Example: Cut leg holes in a big box, add shoulder straps made of ribbon, and decorate it like a race car with paper-plate wheels. Then race your den across the room by running in your car.
