

## RANK WORKSHEET

# Bear

Cub Scouts

Name

Started

Completed

Bear is the rank for third graders. You'll take a longer hike, get stronger, learn about our country's symbols, and discover more about faith and kindness. You're growing into a leader in your den, and Bear gives you plenty of room to show it.

## Requirements

Every official requirement, in plain language. Check the official wording when you sign off ([scouting.org/programs/cub-scouts/adventures/bear/](https://scouting.org/programs/cub-scouts/adventures/bear/)). Tips and examples are ideas, not extra requirements.

### ☐ 1 Bobcat

**Tip:** Get to know your den, learn the Oath's three points, and try the denner's job. Take turns being denner at meetings.

**Example:** As denner, your Bear might lead the opening flag ceremony, hand out supplies, and help clean up. Rotating the job means every Bear gets a turn to lead.

### ☐ 2 Bear Habitat

**Tip:** Plan and take a 1-mile walk with Leave No Trace for Kids. Map your route before you go.

**Example:** Your Bear traces a 1-mile loop on a park map, packs the Six Essentials, and leads the family along the route while pointing out animal signs from the trail.

### ☐ 3 Bear Strong

**Tip:** Taste new foods, exercise, and rest. Try a 15-minute family workout in the backyard.

☐ **4 Paws for Action**

**Tip:** Learn about the flag and national symbols, then help with a service project. Visit a local nonprofit to see how volunteers help.

**Example:** The den might visit a food bank, learn how it raises money and uses volunteers, then come back to sort cans for an afternoon. One trip can cover both parts.

☐ **5 Standing Tall**

**Tip:** Learn about personal space, digital safety, and safety gear. Make a family device plan together.

☐ **6 Fellowship**

**Tip:** Share your family's traditions and learn about a different faith. Ask a friend how their family celebrates a holiday.

**Example:** Your Bear could make a holiday food with you, then ask a friend's family how they celebrate a different faith and find two things the families share, like caring for others or a special meal.

☐ **7 Complete any 2 elective adventures**

**Tip:** Pick two electives that match your interests, like whittling, forensics, or marble mazes.

**Example:** Pair an elective with something already on the pack calendar: Race Time with the Pinewood Derby, Let's Camp with the pack campout, or Summertime Fun with day camp.
