

RANK WORKSHEET

Wolf

Cub Scouts

Name

Started

Completed

Wolf is the rank for second graders. You'll explore the outdoors, stay healthy, help your neighborhood, and learn to stay safe, all with your den and family. Every adventure is a chance to try something new and have fun along the way.

Requirements

Every official requirement, in plain language. Check the official wording when you sign off (scouting.org/programs/cub-scouts/adventures/wolf/). Tips and examples are ideas, not extra requirements.

☐ 1 Bobcat

Tip: Get to know your den and learn the Scout Oath and Law. Try saying them together at the start of each meeting.

Example: In the first weeks, the den might play get-to-know-you bingo, make a den flag, and write a Code of Conduct poster that everyone signs. At home, you do the Parent's Guide activities together.

☐ 2 Paws on the Path

Tip: Prepare for and take a nature walk. Pack your Six Essentials and look for animal homes as you go.

Example: A fall Saturday works well: pack the Six Essentials, pick a buddy, and walk a park loop for at least 30 minutes. On the way home, ask your Wolf to name four animals that could live there.

☐ 3 Running with the Pack

Tip: Eat colorful foods, move your body, and rest. Try a family stretch break after dinner.

☐ **4** Council Fire

Tip: Learn flag respect and build a model neighborhood. Then do a service project that helps where you live.

Example: The den might build homes from cardboard boxes, then a school or library from the same boxes, and line them up into a tabletop neighborhood before heading out to clean up a park.

☐ **5** Safety in Numbers

Tip: Learn the Protect Yourself Rules and the buddy system. Practice picking a buddy at the park.

☐ **6** Footsteps

Tip: Share your family's traditions and do an act of kindness. A thank-you card for a neighbor is a great start.

Example: At dinner, share a holiday your family celebrates and why it matters. Then pick one act of kindness, like a thank-you card for a mail carrier, and do it together.

☐ **7** Complete any 2 elective adventures

Tip: Pick two electives that sound fun to you, like fishing, paper airplanes, or dinosaurs.

Example: One simple plan: an indoor elective in fall, like Code of the Wolf, and an outdoor one in spring, like A Wolf Goes Fishing. Many dens do Race Time alongside the pack's Pinewood Derby.
